

Young Farmers at 2023 Maple Ridge Pitt Meadows COUNTRY FEST

Children have been an integral part of the agricultural fair from its onset more than 100 years ago. For those younger farmers, who are associated with a 4H club and do not yet qualify to be part of the 4H divisions, here are separate classes and a series of rules just for you.

1. Young Farmers **may not** show in 4H classes and must be entered on a Young Farmers Entry Form.
2. Young Farmers classes (showmanship & project) will be shown previous to 4H classes in each section, to enable the organizers to utilize judges that have been contracted to judge 4H classes.
3. Young Farmers **must** have their own animal and may not use a 4-H members project animal.
4. Young Farmers may be stabled in the same building as 4H animals but stabled at the end of the club display and **must** be identified as Young Farmers.
